

Rules of the Marshall St. Complex

Version 20070901

We appreciate you adhering to these simple rules and ask your consideration and assistance at HYSA's Marshall Street fields.

Keeping Clean

- No pets are allowed on the property.
- No alcohol or smoking on the property.
- No chewing gum or food allowed on the fields.

Please clean up after yourself after practice and games.

Pick Up and Drop Off

Please drop off and pick up inside the parking area only. Please do not stop on Marshall St. and cut through the woods or run over the hill.

Parking must be utilized in the designated spots in the Marshall Street lot. Please do not block paths to the field.

No on-street parking on the west-bound side of Marshall Street (side opposite the fields). Police will take notice and ticket vehicles. Parking on the street should only be utilized for overflow conditions.

Please do not park by the entranceway as this inhibits visibility for cars exiting the facility.

Walkways

Please utilize the walkways to the field areas. Especially use the central walkway to access fields the turf fields. Please do not go around fencing and walk down the slopes.

Please do not set up chairs on the inside of the fence on top of the slopes.

Wetlands

Do not disturb or enter the grounds beyond the netting. This may be wetland area and needs to remain undisturbed. Under no circumstances should children approach these areas; Holliston coaches will take care and retrieving balls when appropriate.

Neighbors

Please be respectful of our neighbors. Do not walk through their property. When parking on the street, consider the location of their driveways. When off the complex, be aware of the time of day and control noise.
